Pickleball	Tricia Goerke	Have you been sitting back watching your parents and grandparents play Pickleball and think, "I want to play that game!" Pickleball is a fast-paced sport that combines elements of tennis, badminton, and ping pong. It's played on a court that's about the size of a badminton court. The objective is to hit the ball over the net and try to score points by making it land in the opponent's court, much like tennis. The game is easy to learn and accessible to players of all ages and skill levels. https://gofan.co/event/3437856?schoolId=MI89886	4-6	6/17, 6/19, 6/24, 6/26	1:00pm - 3:00pm	12	HS	\$55.00

Coding Lab: Music, Art, & Game Design!	Wendy Brandal	Unleash your creativity through code! In this hands-on course, middle school students will explore the exciting world of programming using a variety of platforms; including AI. They'll remix tracks from their favorite artists, create stunning digital art with code, and build their own video game from scratch. Along the way, they'll master coding fundamentals like sequencing and functions. No experience needed—just a passion for creativity and technology! https://gofan.co/event/3437024?schoolId=MI89886	6-9	7/14 - 17	9:30am-12:00pm	20	HS	\$40.00
Reverse Coloring & Beyond	Wendy Brandal	Take your creativity to the next level with reverse coloring—a fun and unique way to turn colorful backgrounds into eye-catching artwork by adding the lines! Plus, you'll learn cool doodling techniques and make custom posters to show off your skills. Whether you're a beginner or an experienced artist, this class is all about self-expression, creativity, and making art that stands out! https://gofan.co/event/3437027?schoolId=MI89886	6-9	7/14 - 17	12:30pm-3:00pm	20	HS	\$40.00
Storybook TECH	Wendy Brandal	After listening to a captivating story, students will engage in both online and hands-on activities, including games and creative projects that bring the story to life. They will create digital art and animations, blending technology with creativity. https://gofan.co/event/3437083?schoolId=MI89886	1-3	7/21 - 24	9:30am-12:00pm	20	HS	\$40.00

Roller Coaster Engineer	Wendy Brandal	Student engineers will research and design their marble-racing roller coaster to take home. They will evaluate and adjust their slopes, turns, and twists as they determine how much potential energy is needed to get their marbles to the end. https://gofan.co/event/3437088?schoolId=MI89886	5-8	7/21- 24	12:30pm-3:00pm	15	HS	\$40.00
Hot Wheels – Faster, Farther, and More Fun	Wendy Brandal	How fast and how far can your Hot Wheels car go? Get ready for an action-packed class where creativity meets engineering! NEW challenges await young racers. With each activity, students explore physics concepts like momentum and friction while pushing their cars to the limit. Rev up your imagination and get ready to race! https://gofan.co/event/3437108?schoolId=MI89886	2-5	7/28 - 31	12:30pm-3:00pm	15	HS	\$40.00
Coding Lab: Animate and Create	Wendy Brandal	Jump into the exciting world of coding! In this beginner-friendly course, elementary students will use Code.org’s Sprite Lab and Scratch to bring their ideas to life. They’ll create animations, design their own games, and even build a virtual pet and an interactive greeting card. No coding experience needed! https://gofan.co/event/3437127?schoolId=MI89886	3-5	7/28- 31	9:30am-12:00pm	20	HS	\$40.00
Storybook STEM	Wendy Brandal	Embark on an exciting adventure where the STEM in stories come to life! After diving into an engaging tale, students will explore fascinating STEM concepts inspired by the story. Get ready to blend imagination with innovation in this hands-on, story-driven STEM experience! https://gofan.co/event/3437133?schoolId=MI89886	1-3	8/4 - 7	12:30pm - 3:00pm	15	HS	\$40.00
Reverse Coloring Magic!	Wendy Brandal	Unleash creativity with Reverse Coloring Magic! In this fun and engaging course, young artists will transform colorful, pre-painted pages into stunning masterpieces by adding their own unique designs with a black pen. They’ll explore exciting doodling techniques and even use a projector to create a one-of-a-kind poster to take home! Perfect for beginners and experienced artists alike, this class is all about imagination, fun, and artistic discovery! https://gofan.co/event/3437138?schoolId=MI89886	2-5	8/4 - 7	9:30am-12:00pm	18	HS	\$40.00
