Thank-you Ashley families for participating in our Kroger Rewards. We have 124 families enrolled and earned \$427.89 this quarter.

If you would like to link your Kroger Card. All you have to do is log into your Kroger account and add Ashley Elementary (PU554).

**NOTES FROM THE PRINCIPAL**

Dear Ashley Families,

Our Ashley staff was very excited to kick off March is Reading Month with "One Book One School". This year our teachers will be reading the book in their classrooms, so all children can take part. We would like to send a special thank you to our PTG for purchasing all the books and reading prizes for our Ashley students.

All classes will have the opportunity to visit the, Edge of the Forest. All classes can go to our forest to participate in a quiet reading session by enjoying a book in the setting from Zoey and Sassafrass.

We are very excited to Welcome Scholastic Book Fair. This event is sponsored by our PTG and will be run by our librarian. Please keep an eye out for our Scholastic Book Fair Flyer!

As you all know reading paves the way for the future of our children. Take part in an at home challenge by visiting the library 3 times this month and setting a family reading goal. Act as a role model and engage your young reader in books, magazines, and our print rich environment!

Please follow along with all the exciting events this month listed in our Reading Month Calendar.

Our Positivity Project continues to grow as we cheer others on, appreciate the beauty around us and share our enthusiasm for learning! We look forward to approaching Spring and the opportunities it has to offer!

Sincerely,

Mrs. VanHulle
