

Dear

The Food Service Department is pleased to introduce **My School Menus™** by Health-e Pro--a mobile app with interactive menus. **My School Menus™** allows easy access to complete nutrition information for the school meal--anytime, anywhere.

## Features of **My School Menus™ + Mobile App**

- Complete list of all food choices available to students
- Nutrient data for menu items
- Ability to Build-A-Meal and create customized meals
- Ingredient information for certain menu items
- Allergen identification within menu items
- Dietary preference identification showing symbols identifying dietary preferences
- Translation to 180 languages using Google Translate
- Ability to link to Child Nutrition sites like prepayments, applications and policies
- Flexible printing, including print-to-one-page functionality

You can download **My School Menus™** Mobile App in the iTunes Store or the Google Play store. The Food Service Department is excited to offer **My School Menus™** Mobile App as a valuable nutrition resource. If you had the previous version, please download the new version to access these updated features. You can access the web version by visiting the district website at [www.yourschooldistrict.com](http://www.yourschooldistrict.com). Please let us know if you need any additional information on how to use this information to support your students' specific nutrition needs.

Regards
