## *Important Information*

Please see the flyer about our clothing donation bin. This is an easy way to support our school while decluttering your house. It's a win-win for all.

Wednesday October 1<sup>st</sup> is an important day. It is Pupil Count Day. We get our funding from the State based on the number of students we have in attendance on that day. We encourage all students to attend unless they are sick so we can get our full funding.

## *Highlights of our Week*

**Lottie Elementary can definitely brag for a moment. We have the absolute BEST PTO any school can ask for. They have worked so hard making our annual Fun Run AMAZING for our students and Staff. Please enjoy some pictures. We couldn't have asked for better weather as well. We still have the donations open for 7 more days.**
