

Dear *Lottie Families*,

This week, our school community will focus on the character strength of *Fairness*.

Fairness means treating everyone with respect and recognizing that all people have value. It also means being open-minded and fair in how we approach situations.

By teaching fairness, we help students develop into responsible, trustworthy, and kind individuals who care about others. Fairness builds the foundation for strong friendships and a positive community.

To practice and encourage the character strength of fairness at home, please visit The Positivity Project's mobile-friendly P2 for Families (available in [English](#) and [Spanish](#)), where you will watch a video together and discuss a quote and three questions. Below are links to this week's P2 for Families lessons. Click on the grade level that best meets your child's needs.
