**Attention Students:** Please keep in mind that we will try to put your electives into your schedule first. Not all electives run every trimester. In addition, if the electives do not work in your schedule, we will begin to use your alternatives starting at 1 and working our way down until an alternative class works. Be mindful of which classes you are choosing and how you are ranking them.

Failure to complete summer assignments will **not** be a reason to drop the class. I understand that my child is expected to complete the courses selected above for their entirety.
