**Attention Students:** Please keep in mind that we will try to put your electives into your schedule first. Not all electives run every trimester. In addition, if the electives do not work in your schedule, we will begin to use your alternatives starting at 1 and working our way down until an alternative class works. Be mindful of which classes you are choosing and how you are ranking them.

**Attention Students & Parents:** Students electing to take the courses selected are expected to fulfill the obligation. This means that the student will stay in the class until its completion. Classes indicated as 3 trimesters long are considered year-long courses. **YOU WILL NOT BE ABLE TO DROP A YEAR-LONG CLASS AT ANY TIME DURING THE SCHOOL YEAR.** If you select an Honors or Advanced Course, you will be responsible for summer assignments and will be given homework on a daily basis. Failure to complete summer assignments will not be a reason to drop the class. I understand that my child is expected to complete the courses selected above for their entirety.
