

Math Mindset Summer Camp 2023

Summer School Program for students ENTERING 6th, 7th and 8th grade

The Macomb Intermediate School District, in collaboration with **Anchor Bay School District** is offering a summer school program for exiting 5th, 6th and 7th grade students. The academic program consists of, number talks, guided problem-based lessons around priority grade level standards, inspirational activities and mathematical mindset messages from www.youcubed.org, along with a technology component. This program aims to help correct students' misconceptions while building confidence in mathematics and help develop a conceptual understanding of concepts needed to be successful in algebra.
