

Anchor Bay School District

Summer Scholars 2023

For students entering grades 2-5

JOIN US!

-The Summer Scholars Program is an instructional school-based program targeting literacy and math intervention for students entering Grades 2-5, **with identified needs in literacy and math.**

-Students will be engaged in comprehensive and meaningful literacy and math instruction using evidence-based practices to address their individual needs.

-The goal of the Summer School Program is to accelerate student growth in literacy and math.
