We found that several parents were not receiving text messages from the District notifying them of school cancellation. We checked the reports that are issued by "School Messenger" and found that many of the text messages (SMS) were being reported as BLOCKED. This means that when you received a text message from School Messenger (number: 68453) during the initial set up, no response was sent back. School Messenger assumes that you DO NOT want text messages if they do not receive a response. To correct this, please do the following:

- If you would like to receive text messages from Anchor Bay School District, send a text message to (67587) with the words "opt in" or "subscribe" as the message.
- If you are already receiving text message from Anchor Bay School District no further action is required.
- For more information you can visit <http://schoolmessenger.com/txtmsg/>

School Notes:

When there is no school, all school activities will be cancelled.

If you would prefer that your student **not** sign up for BigFuture School and Connections, please fill out the opt out form below. Filling out the form allows you to opt your student out of providing optional information that is not directly related to the administration of these assessments.

Opting out of BigFuture School and Connections does **not** mean your student is opting out of testing. State testing is a requirement.

COUNSELING INFORMATION

SCHOLARSHIP SCAMS

If you have to pay money to get money, it's probably a scam. Every year students and parents are defrauded by scholarship scams. Scam operations often imitate legitimate government agencies, grant-giving foundations, education lenders and scholarships matching services, using official-sounding names containing words like "National", "Federal," "Foundation" or "Administration."

Visit: www.finaid.org/scholarships/scams.phtml to learn how to identify such scholarship scams. In general, be wary of scholarships with an application fee, scholarship matching services that guarantee success, advance-fee loan scams

TAKE A LOOK AT SEVERAL COLLEGES WHEN LOOKING FOR SCHOLARSHIPS

If you need scholarship help to attend college, don't limit yourself by applying to just one or two schools. Competitive universities usually don't come knocking on your door offering scholarship monies like some of our other fine universities in Michigan. Many of them offer generous packages that are based on merit, not need. Students looking for scholarship help should apply to several schools to see which ones may offer help. Go to the colleges' websites to look at their scholarship offerings. Aggressive, timely research by students and parents is essential in the scholarship search. Be sure to check <https://www.anchorbay.misd.net/schools/high-school/counseling-center/scholarships/>

ABHS TRANSCRIPTS - Ordering Transcripts for College

Anchor Bay has signed up with Parchment by Docufide, an electronic process, to send your transcripts directly to the college of your choice. The counseling office will not be mailing your transcript. Each student must register with Parchment by Docufide and place your request for transcripts to be sent out.

During the month of January, the Anchor Bay High School JROTC continued to demonstrate their dedication to both drill and their community. We are proud to show that our cadets achieved 1st and 5th place at the Major John J. Gardiner Memorial Drill Meet in Holland, Ohio. This is a huge accomplishment and shows our attention [to drill](#) and the details that matter. Our cadets have also been continuing to uphold our core values, especially when it comes to serving our community. Community service is a large part of our program, and our cadets showed this with the recent service opportunities we've undertaken. This month, we were also able to welcome a new JROTC instructor, MSgt Ficeli, who will be able to help out with teaching and class activities.

Coming soon, cadets will enjoy a moral booster event at the Revolution Laser Tag center, and another drill meet on February 21st at Garden City High.

DRAMA/FORENSICS

Anchor Bay High School's theatre program welcomed audience to its first presentation of our one act theatre festival production of *Space Princess Wars* by Don Zolodis Friday, January 16th. Our cast and crew did an incredible job after only a short three weeks of rehearsal!

Pictured above from left to right: Ash Woolman, Rosa Palomba, Aiden Cicale, and Olivia Giem get ready for dress rehearsal!

Pictured above: Krystal Kumbholz gets focused and into character, ready to take the stage!

Pictured to the left from left to right: Elisabetta Carlisse, Varrin Amundson, and Ava Piotrowski pull and organize costumes with a smile!

We will travel on Saturday, January 31st to Woodhaven High School in order to share the fruits of our labor and attempt to secure a spot at the state theatre festival which will be hosted by Saint John's High School February 13th and 14th. Again, the festivals are open to the polite public. Come out and enjoy this amazing activity and support the arts.

On the forensics front, a portion of our team attended the first regular season invitational forensics tournament. On Saturday January 24th, the Anchor Bay High School forensics team was represented by 11 competitors at Troy High School.

As pictured from the bottom left corner clockwise: Peyton Siag, Griffin Smith, Kylie Yarber, Isabel Sands, Abigail Thompson, Olivia Giem, Hunter Trinity, Ford Overholt, Ash Woolman, and Nola Hershock. [Not pictured: Joseph Nicolai]

Olivia Giem took seventh in Dramatic Interpretation; Griffin Smith took seventh in Prose 9-10; and Peyton Sieg took sixth in Program Oral Interpretation. Anchor Bay dominated in the Original Interpretation category with Joseph Nicolai placing sixth, Abigail Thompson placing fifth, Nola Hershock placing second, and Ford Overholt placing first. Congratulations are due to all of our forensics students on their achievements! Our next tournament is on February 7th at Birch Run High School. Please see Ms. Battice in room E119 for more information.

As with the theatre festivals, the tournaments are open to the polite public free of charge and offer an amazing viewing and learning experience free of charge. Please come out and see what this activity has to offer. Below are the dates and locations of the other season invitational tournaments Anchor Bay's team will attend, all on Saturdays, each beginning at approximately 8:00 am.

February 28th, Grass Lake High School
March 7th, Dexter High School
March 14th, Novi High School
March 21st, Walled Lake Western High School
March 23rd, location TBD

Back in the world of theatre, we are gearing up and already in the planning and design stage for our next show. Pre-production meetings for the spring musical *Legally Blonde* will be held February 18th and 19th, Wednesday and Thursday, from 2:15 until 3:15 pm in room E119. Those interested in working behind the scenes or on the stage must attend one of these two informational meetings, though attending a meeting does not obligate anyone to participate as a member of the company. Auditions will occur February 23rd-26th, and regular rehearsals will begin the week following auditions. Please listen, watch for announcements, and if a high school student, attend one of the pre-production meetings for more information.

For further information about these programs or events through the Anchor Bay Performing Arts Center, contact Ms. Battice at the high school, extension 2360.

GENERAL NOTICES

REMEMBER, YOUR' NOT JUST MAINTAINING YOUR CAR.....FEBRUARY

Did you know that just four quarts of oil can form an eight-acre oil slick if spilled or dumped down a storm drain? With over four million vehicles in Southeast Michigan, we all need to practice good car care to protect our lakes and streams.

How does caring for you car affect our waterways? Storm drains found in our streets and yards and road-side ditches lead directly to our lakes and streams. So, if motor oil and other fluids are dumped or washed into the storm drain, they pollute our local waterways.

What can you do? Simple.

Maintain it. Keep your vehicle properly tuned and use the owner's manual to guide decisions about how often it is necessary to change fluids such as oil and antifreeze.

Take advantage of business expertise. Consider taking your vehicle to the shop to have the oil and other fluids changed. These businesses have the ability to recycle the used materials and clean up accidental spills.

Recycle. If you choose to change your oil and other fluids yourself, label the waste containers. Then take them to your community's household hazardous waste collection day or to a business that accepts used oil. Never dump used oil antifreeze or other fluids on the ground or down the storm drain.

Soak it up. Use kitty litter promptly to absorb small amounts of spilled vehicle fluids. Then sweep it into a bag and throw it in the trash. Don't leave these spills or wash them off pavement. They'll be flushed into the storm drains.

Do it under cover. Whenever possible, perform vehicle maintenance in a well ventilated, but covered location. This minimizes the potential for rainfall to wash those inevitable spills and rips into our lakes and streams.
