

Popcorn is coming to Lighthouse Elementary School!

We have some exciting news... the Parent Teacher Group has ordered a Popcorn Machine! Fresh popcorn will be provided to students for different events throughout the school year and the PTG will begin selling popcorn to students starting this May. Students that would like to purchase popcorn may do so. Flyers and order forms will be sent out prior to each Popcorn Day. Popcorn may also be provided for students as an incentive or reward.

We wanted to inform you of this, so that you can review the nutritional information of the product that we will be using. See the information below to look at ingredients related to possible allergies or medical needs. We want to make sure that everyone is aware.

Vogel Popcorn, All-In-One, with Coconut Oil
