

Title I Compact

Mission Statement

The mission of Anchor Bay Middle School South is to meet the needs of the students in becoming productive members of society and lifelong, enthusiastic learners.

Dear Middle School South Families,

As you may be aware, Anchor Bay Middle School South receives funds from the Title I, Part A program. This federal classification provides additional funding and programs to benefit our students. Title I provides assistance to improve the teaching and learning of children to meet challenging State performance standards. Through Title I funding, we are fortunate to have additional teaching staff that work with the classroom teachers, provide specific tutoring and assist with small group instructional lessons. Please be assured that the staff at Middle School South are "highly qualified" and are working toward meeting the needs of all students.

Also, in receiving funds from Title I, Part A program, the district has a requirement to inform you of your right to request information regarding the professional qualifications of your child's teacher. Please contact Paul Rogers, Director of Personnel at (586) 648-2500. Information will be provided to you upon request in a timely manner.

You will also receive timely notice if your child is, for whatever reason, assigned, or has been taught for four or more consecutive weeks by a teacher who is not highly qualified by the state standards and requirements.

We will continue to provide additional information through our school newsletters and supplementary brochures regarding services, funding and programs available for your child.

Please feel free to contact me regarding any questions or concerns. Thank you for your continued support.

Sincerely,

A handwritten signature in black ink that reads "Phil Latona".
