

# 12th Annual All Star Challenge!

## Glow Stick Walk-A-Thon

Wednesday, February 11, 2026

We will be combining a walk-a-thon with fitness activities to raise money in our biggest school fundraiser of the year! This effort helps us to reach our school improvement goal of increasing engagement for all learners. Funds raised will be used toward assemblies, PBIS Rewards and other educational resources for literacy, science and technology. Money raised will also go toward transportation costs for one field trip per classroom and supplies needed for specials classes. Our aim is for every student to raise at least \$25 via pledges from family and friends, and to top last year's collection of over \$15,000!

On Wednesday, Feb, 11th, all students will have the opportunity to participate in our Glow Stick Walk-A-Thon, listen to music, enjoy refreshments and have a chance to win awesome prizes. This is a way for us to encourage physical activity and raise needed funds for our school at the same time. With our Naldrett Staff and our Student Council working together as a team, we look forward to another fun and successful event!
