

# TECHNOLOGY SUMMER CAMPS

FOR GIRLS ENTERING 5TH-12TH GRADE IN THE FALL

June 16 – June 20, 2025

One Week of Tech Fun!

Camp Infinity is a series of week-long sessions that introduce girls to computer and internet technologies through hands-on activities. Our expert instructors will guide your child through a range of engaging activities that will spark their imagination and creativity.

## CAMP DETAILS

Anchor Bay High School

6319 County Line Rd,  
Fair Haven, MI 48023

8:30 a.m. to 4 p.m. (Mon-Fri)

### 7th & 8th Grade Girls

Campers in the 7th and 8th grades will enhance their critical thinking and problem-solving skills while programming a Finch 2.0 robot and designing a multi-page website using HTML/CSS.

## CAMP COURSE DETAILS

### 5th & 6th Grade Girls

Campers in the 5th and 6th grades will program Ozobot Evo robots using block-based programming and design a multi-page website using HTML/CSS.

### 9th - 12th Grade Girls

Campers in the 9th-12th grades will program a Lego Spike Prime robot using a version of Python's coding language and design a multi-page website using HTML, CSS, and JavaScript.

## WHAT TO EXPECT

### Interactive Tech Activities

Explore coding, robotics, and website design with hands-on projects.

### Inspiring Career Connections

Meet tech professionals and discover exciting career opportunities.

### Affordable Fun

A full week of activities, meals included, for \$125, with scholarships available.
