Dean A. Naldrett Mission Statement: Naldrett staff, in partnership with parents and community, will provide a positive, nurturing, learning environment in which students can achieve their full potential.

Principal's Corner

Mr. Craig Bulgrin and I are truly amazed by the students, staff, and community at Naldrett Elementary School and the Anchor Bay School District. It is rare and exceptional for a school district and central office administration to provide administrative support for a principal facing an unexpected family situation. When we were asked to step in and provide coverage, support, and leadership for Naldrett Elementary, we were both excited about the opportunity.

Since our arrival on Friday, April 11th, we have experienced firsthand what a special place Naldrett is. Craig and I both spent a great deal of time as principals in our respective districts, and we agree that the Naldrett staff is second to none—comparable only to the outstanding teams we have had the pleasure of working with in the past.

The students and staff haven't missed a beat since we arrived. The 3rd through 5th graders are working hard on the M-STEP under the leadership of Mrs. Baumgarten. Students continue to be polite and respectful during arrival, lunch, recess, and dismissal. Teachers are delivering high-quality instruction in all content areas, and several successful field trips have been held, including one to the Detroit Institute of Arts (DIA).

Mr. Bulgrin and I have had the opportunity to supervise arrival, lunch, and dismissal, assist students who need help in class or socially, attend parent meetings, and observe the remarkable instruction being delivered by the dedicated staff.

As we prepare for the gradual return of Mrs. Stephenson, we want the entire Naldrett community to know how fortunate they are to be part of this school. We will continue to offer Mrs. Stephenson, the Naldrett community, and Anchor Bay Schools whatever support they need.

Sincerely,
Roger Benett

IMPORTANT SAFETY CONCERN

Doors do not open until 8:55 AM for students. Please do not drop off students early! If you wish to let your students out of the vehicle before 8:55, please park in a parking spot and walk to the building with your students to wait for the doors to open.

Remember that SAFETY is our number one concern when dropping off or picking up your student. With the weather getting warmer, people are picking up their students to rush home to enjoy some time outside. Be patient and alert when in the drop off or pick up line. **DO NOT cut out of line to bypass others.** This heightens the risk of someone being hit by a moving vehicle in the parking lot. Please take a moment and look again before moving.

If there is a change in pick-up plans, please let the teacher and office staff know. Those picking up students must be on their Emergency Card.

Keep our families and students safe! Thank you!

Yearbooks

Naldrett 2024-2025 Yearbooks are being finalized and will be in the first part of June. The online order window has closed. If you did not purchase a yearbook, we will have a few extra that will be available on a first come, first serve basis. Just call the office and speak with Ms. Hamm.

Naldrett Field Day and Hot Dog Cook-out

Naldrett's Annual Field Day is planned for Monday, June 2nd, 9:30 AM – 3:30 PM (Rain Date: Tuesday, June 3rd). Mr. Schorman will be planning some fun relays and games! Volunteers should sign in at the main office and report to the gym to meet with Mr. Schorman at 9:15 where they will receive their field day event assignment. Please watch for more information to come home with your student. As an extra fun treat, students will be served a grilled hot dog lunch!

MOVING???

If your family is planning on moving over the summer and you will not be attending Naldrett in the fall, please make sure you contact the school office. If you move and want to remain at Naldrett, please let us know that as well. There are school of choice forms that may need to be filled out. If something changes after school closes for the summer, you can call and leave a message on our voicemail. We will be checking for messages on a regular basis and will get back to you as soon as we can.

SACC Schedule – Last 2 Days of School

SAC IS OPEN on Tuesday, June 10th and Wednesday, June 11th until 6 PM. PLEASE SIGN UP NOW with Ms. Kathy if your student(s) will be attending the SACC program on those two half-days. Thank you.
